DEDICATEE

Mrs. PHYLLIS SANDERS

During the regular school year, a teacher's work is never done and when a truly busy teacher finds time to devote her time and effort to create school spirit and enthusiasm, here is truly a remarkable person.

Through her sincere effort and dedication both in the classroom and on the sidelines, she has shown that teaching does not merely end with the bell. Thus, it is with deep appreciation that we, the Class of 1963, dedicate our Guide to Mrs. PHYLLIS SANDERS.

The ground breaking that started our school!
November 20, 1960.

The progress of the new Ashland Senior High School building is portrayed here. This program is followed from the joyous groundbreaking, through the actual construction, to the solemn yet happy ceremony of dedication. The construction work proceeded rapidly yet it is something which will affect the lives of students for years to come.

A view of the lobby taken in the summer of 1961.

ALMA MATER

Hail! Ashland High School!
Praise to thee we're singing;
Firm in devotion
Loyalty we're bringing;
To thee we'll always sing.
Love and honor ever bring.
Ashland! All hail to thee!

Hail! Ashland High School!
Dauntless is thy courage;
Hear us, thy children
In our song resounding;
To us thy name will be
Matchless in our memory.
Ashland! All hail to thee!

A new building is constructed upon a foundation laid early in the life of the edifice. Throughout the completion of the building program the structure is heightened, using this foundation as a base. The strength of the structure depends to a very great extent upon the strength of the foundation. If the foundation is cracked and faulty in workmanship, the entire building suffers and is in danger of collapsing. So it is with an education. The foundation of an education is laid early in the life of a student—through his high school years—so that his later life and higher education may be built upon a firm support. Just as the foundation of a building must be strong and complete, so must an educational foundation be complete and free from fault—capable of supporting the building blocks of the future. We entrust the laying of our educational foundation to the hands of these able workmen

Ashland Senior High School reached another milestone with the fine production of Rodgers' and Hammerstein's South Pacific. The exceptional acting talents of the high school performers were well blended with the superb orchestrations, under the leadership of Dr. Louis E. Pete.

South Pacific was well suited to the diverse and varied talents of the students and portrayed every conceivable mood and atmosphere. This mood changed often from the humorous, as exemplified by the rousing "Bloody Mary," to the sad and sentimental strains of "Some Enchanted Evening."

ASSEMBLIES AND PEP RALLIES

The ideals of school unity and school spirit are two of the goals achieved by Ashland Senior High's series of assemblies and pep rallies.

During the past year the interesting assemblies varied from a discussion of safe driving by a leading race driver to the talk "America Is More Than a Country" by Salom Rizk

"Up on the Housetop "

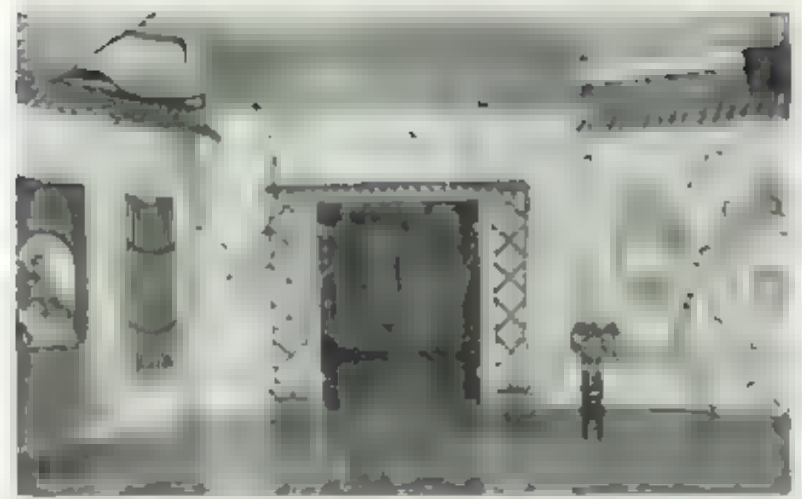

All wrapped up in the Arrows

Time out for a Victory!

After the work

The fountain

The social highlight of the year, the Junior-Senior Prom, was again a smashing success. Much work was done by the present Senior Class to make the theme, "Spanish Serenada," very interesting and beautiful. The use of a Spanish hacienda, with a lily pond and mountain stream, produced the desired effect in an intriguing manner. Acting as emcees were Jim Oblinger and Rob Kopp

The music for this gala affair was ably provided by Strine's Orchestra, which was capable of both the necessary Spanish music and the traditional dance music

Leading the parade to the rally

The excellent 1963 edition of the Ashland Senior High Stage Band, capably led by Mr. James E. Thomas and, during his absence, by Mr. Richard Johnson, was an extremely active one. As has often been the case, the Spring Follies provided the most extravagant and extensive showcase for the talents of the band's members.

The stage band also participated in such varied events as the Ashland County Safety Council Awards Banquet, the Balloon Festival Pageant, the annual Parent Teacher Association's Open House, the Republican political rally, and the Spring Concert.

The band also served as a welcome and enthusiastic addition to many of the pep rallies and basketball games.

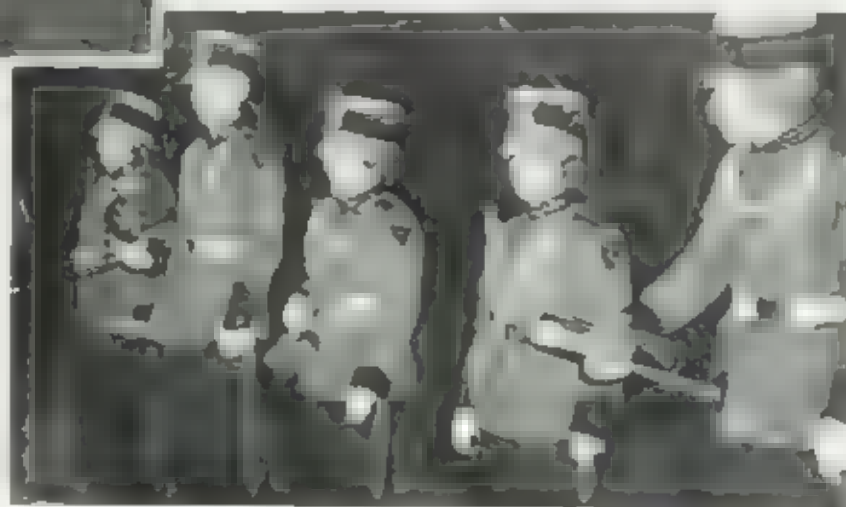

DRUM MAJOR Kay Hesson

"Around the World"

The band engages in many activities which entail marching. These include marching at football games and in various civic events, such as the Halloween Parade and Old-Fashioned Days.

FROM "WISCONSIN" TO "WARSAW"

Ready?

It is also capable of presenting fine concert performances such as those given in the annual band concert and in the summer series. Jane Lorenz, piano soloist, provided one of the highlights of the season with her performance of the "Warsaw Concerto."

ORCHESTRA

DIRECTOR

Mr. James E. Thomas

During the last school year the Ashland Senior High School Orchestra participated in several important events. It played in both the Christmas Concert and Christmas Sing, as well as the Spring Concert.

The crowning achievement of this year's orchestra was, however, the production of the musical, "South Pacific." Under the baton of Dr. Louis E. Pete the orchestra set the mood and pace for the action during the entire play. The orchestration of "South Pacific" did much to add this year's production to the growing list of musical successes at Ashland Senior High.

The caliber of members in the orchestra was evidenced by the fact that six were chosen as delegates to the District and State groups

The goals of a Hi-Y organization are to develop Christian character and to extend in a boy those traits which will serve to make him a better citizen and a better all-around person. Much of this knowledge is gained through the monthly meetings of the senior chapter. Member-led discussions are used not only to debate a subject but also to give these young men the poise and know-how necessary to express one's feelings in a group.

The senior chapter was advised this year by R. T. Veal. Mr. Veal has long been active in both Hi-Y and YMCA work and is well qualified to lead members to their goals.

One of the main projects of this club was to assume the responsibility of decorating at the annual Hi-Y Formal. This is usually done by the senior club, but due to the hectic schedule of the new school it was delegated to the juniors.

Throughout the course of the year, guest speakers led fine discussions concerning various topics of interest to the juniors.

Mr. Hugh Zimmer, football and basketball coach and typing instructor, assumed the leadership of the junior chapter. Through his connection with athletics he has gained a wealth of information pertaining to good sportsmanship both on and off the field.

The funniest thing happened to me on the way to Tri Hi Y!

"Bon Voyage" was the theme which echoed from the dance following the dedication of Ashland Senior High School. The Senior Tri-Hi-Y supplied the beautiful decorations for this affair and did a fine job. Another helpful task performed by this group of Tri-Hi-Y'ers was that of polishing the many trophies in the trophy case.

Topics for discussion at the Senior chapter's monthly meetings included religion and an interesting study of hypnosis.

The Tri-Hi-Y Formal with the theme "April in Paris" and a Christmas style show highlighted the year's activities.

The junior group of the Tri-Hi-Y Club has been very active during the past year. At Christmas the girls sponsored food baskets for two needy families. This is planned again for Easter. Junior Tri-Hi-Y members also served on committees for the annual Tri-Hi-Y Formal "April in Paris." As per usual, the Easter assembly was also put on by the combined Tri-Hi-Y's and the junior chapter played an important role in this production.

Junior Tri-Hi-Y was fortunate in having two advisors this year. Miss Jane Scott and Mrs. James Lightner both assumed Tri-Hi-Y leadership for the first time and did a fine job.

The Future Voters of America endeavors to give junior and senior students a better understanding of government and a deeper appreciation of the responsibilities of citizenship.

In pursuing these purposes, the club traveled to the capitol at Columbus and has also observed Ashland courts in action. Guest speakers at the monthly meetings also gave members insight into different aspects of government. Speakers during the year included Eugene Puglisi, Ashland's Municipal Court Judge and J. Herman Reinke, head of the Ashland County Welfare Department

FUTURE TEACHERS OF AMERICA

The purpose of F.T.A. is to acquaint members with the advantages and the disadvantages of the teaching profession and to encourage and prepare those students who conclude that they will become teachers.

F.T.A. is also a very active service organization. At Christmas the members sponsored a basket to bring joy to a needy family. During the annual P.T.A. open house they acted as guides and led tours through the new building. Another project of this fine club was to assist at the Spring Science Fair. Members acted as assistants to the judges and also as guides.

Miss Florence Foust, history instructor and long-time F.T.A. advisor, is in a fine position to counsel members concerning their various and sundry questions.

The goal of Spanish Club is to provide its members with the opportunity to gain information concerning the history, culture, and customs of the Spanish speaking peoples. Speakers at the club meetings add much to the discussions of appropriate topics and often supply films and pictures to augment the effectiveness of their comments.

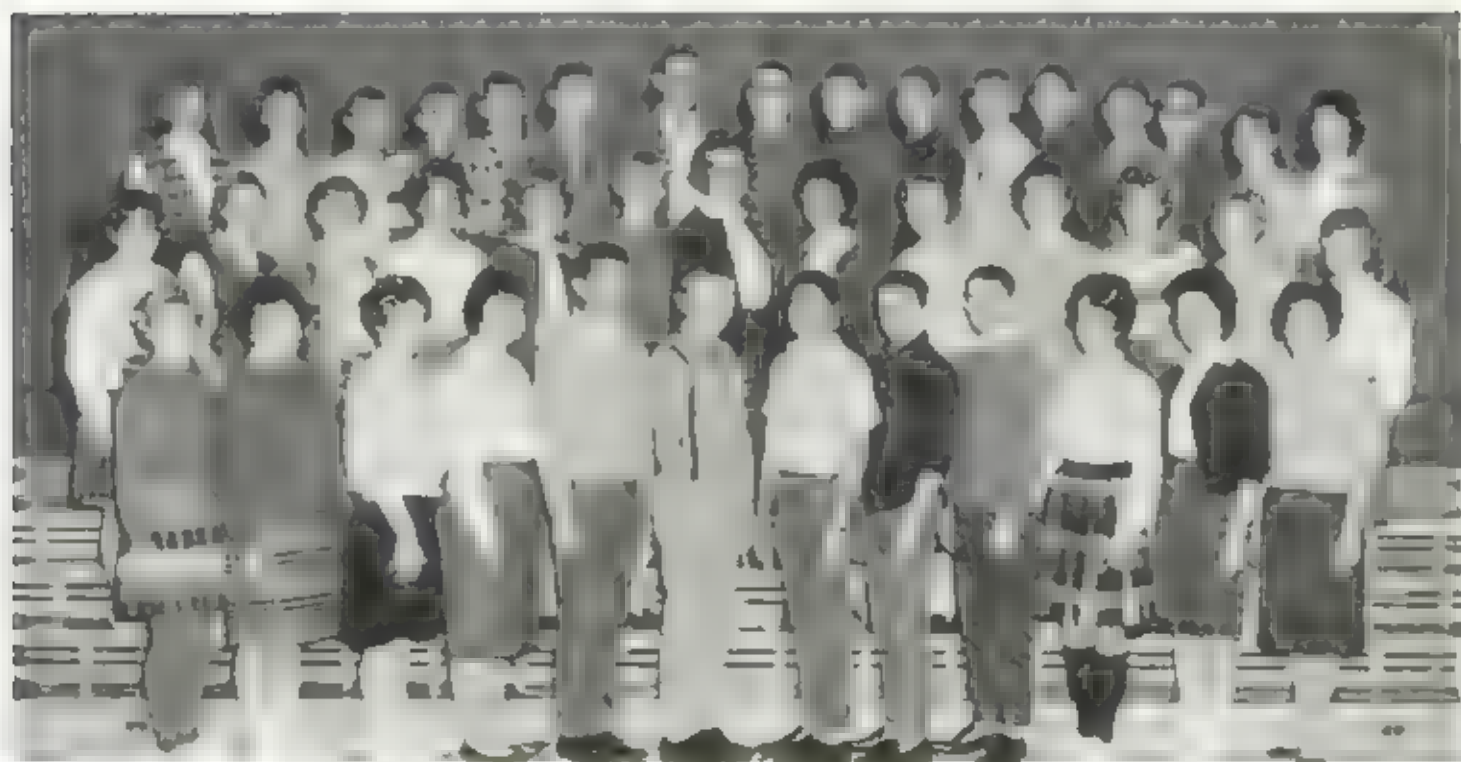

Miss Aurora Jean Porto, Spanish teacher and club advisor, is well qualified to guide members in their studies. She is of Spanish descent and was reared in a Spanish speaking household. Her close contact with the people of Spain has provided her with a wealth of information which she is now sharing

French Club was organized this year to provide a more thorough and comprehensive study of the country and the language. Through participation in the activities of the club, members learn about the French people—their customs, literature, and art.

Miss Rosemary Walker, French teacher and club advisor, added much interest to the meetings by relating some of her personal experiences with the French people.

Membership in the club is restricted to those students who have taken two years of French or who are presently enrolled in the subject.

It is the purpose of the PANORAMA to promote school spirit by keeping the student body informed concerning school activities. This publication, whose motto is "Know the Truth and Truth Shall Make You Free" also provides a record of these activities.

Published approximately every two weeks, the PANORAMA is written by students taking second year journalism. Although deadlines are often very hectic, this experience helps the members of the staff develop their journalistic sense and their sense of responsibility.

GUIDE STAFF

The GUIDE provides a permanent record of the year's activities at Ashland Senior High School. The staff, made up entirely of seniors, is responsible for collecting and organizing the materials which apply to the students and faculty. This is at times a complicated and formidable task, but at its completion there is a feeling of satisfaction and pride of accomplishment.

Mr. Alex Nagy, office practice and typing instructor, served in his sixth year as advisor. Throughout the course of the year he helped immeasurably to guide the staff through its series of hectic deadlines with no more than the usual casualties.

VARSITY FOOTBALL

Led by the inspiration of Coach Lloyd Dunne, the ball handling of senior quarterback Mike Humrichouser, and the hard running of senior fullback Bruce Cooper and junior halfback Jim Minnich, the 1962 Arrow varsity compiled a 4-5 record. This is an indication of bigger and better things to come.

Highlight of the varsity season was a tie for the Championship of the Cardinal Conference. The Arrows finished conference competition with a 2-1 record, posting wins over Madison and Dover, but dropping a decision to Wooster.

The play this year was dominated by the tremendous spirit and drive of both the offensive and defensive teams. There was no sign of quitting or lack of desire on the part of any team member.

Those receiving All-Conference recognition were: Bruce Cooper, fullback; Bob Slack, end; Dan Miller, tackle; Jim Minnich, halfback; Jim Long, tackle; Ray Leonard, defensive halfback; and Rod Moore, safety.

CROSS COUNTRY

"Winning doesn't come by chance. You have to work for it. These boys did!" With this statement Coach Doug Diercks summed up the 1962 Arrow Cross Country team. It was a team which showed steady improvement throughout the season and came up with the ability to win the "big" ones.

The harriers finished the season with a record of 8 wins and 2 losses in dual competition. They also placed first in the Marion District meet. Highlight of the campaign was a 9th place finish in the state meet at Columbus. Both of these conquests will provide welcome additions to A.S.H.S.'s new trophy case.

Pacing the team this year was the fine running of junior Dale Stimpert. Dale was undefeated in dual competition and placed a fine 9th at the state. Returning next year along with Dale, will be a fine nucleus upon which to build an even stronger team.

WRESTLING

Mr. Earl Fry
Coach

Under the coaching of Mr. Earl Fry, the Ashland Senior High School wrestling team had a mediocre season. There were, however, definite signs of improvement during the course of the year and the team did very well in the last four matches.

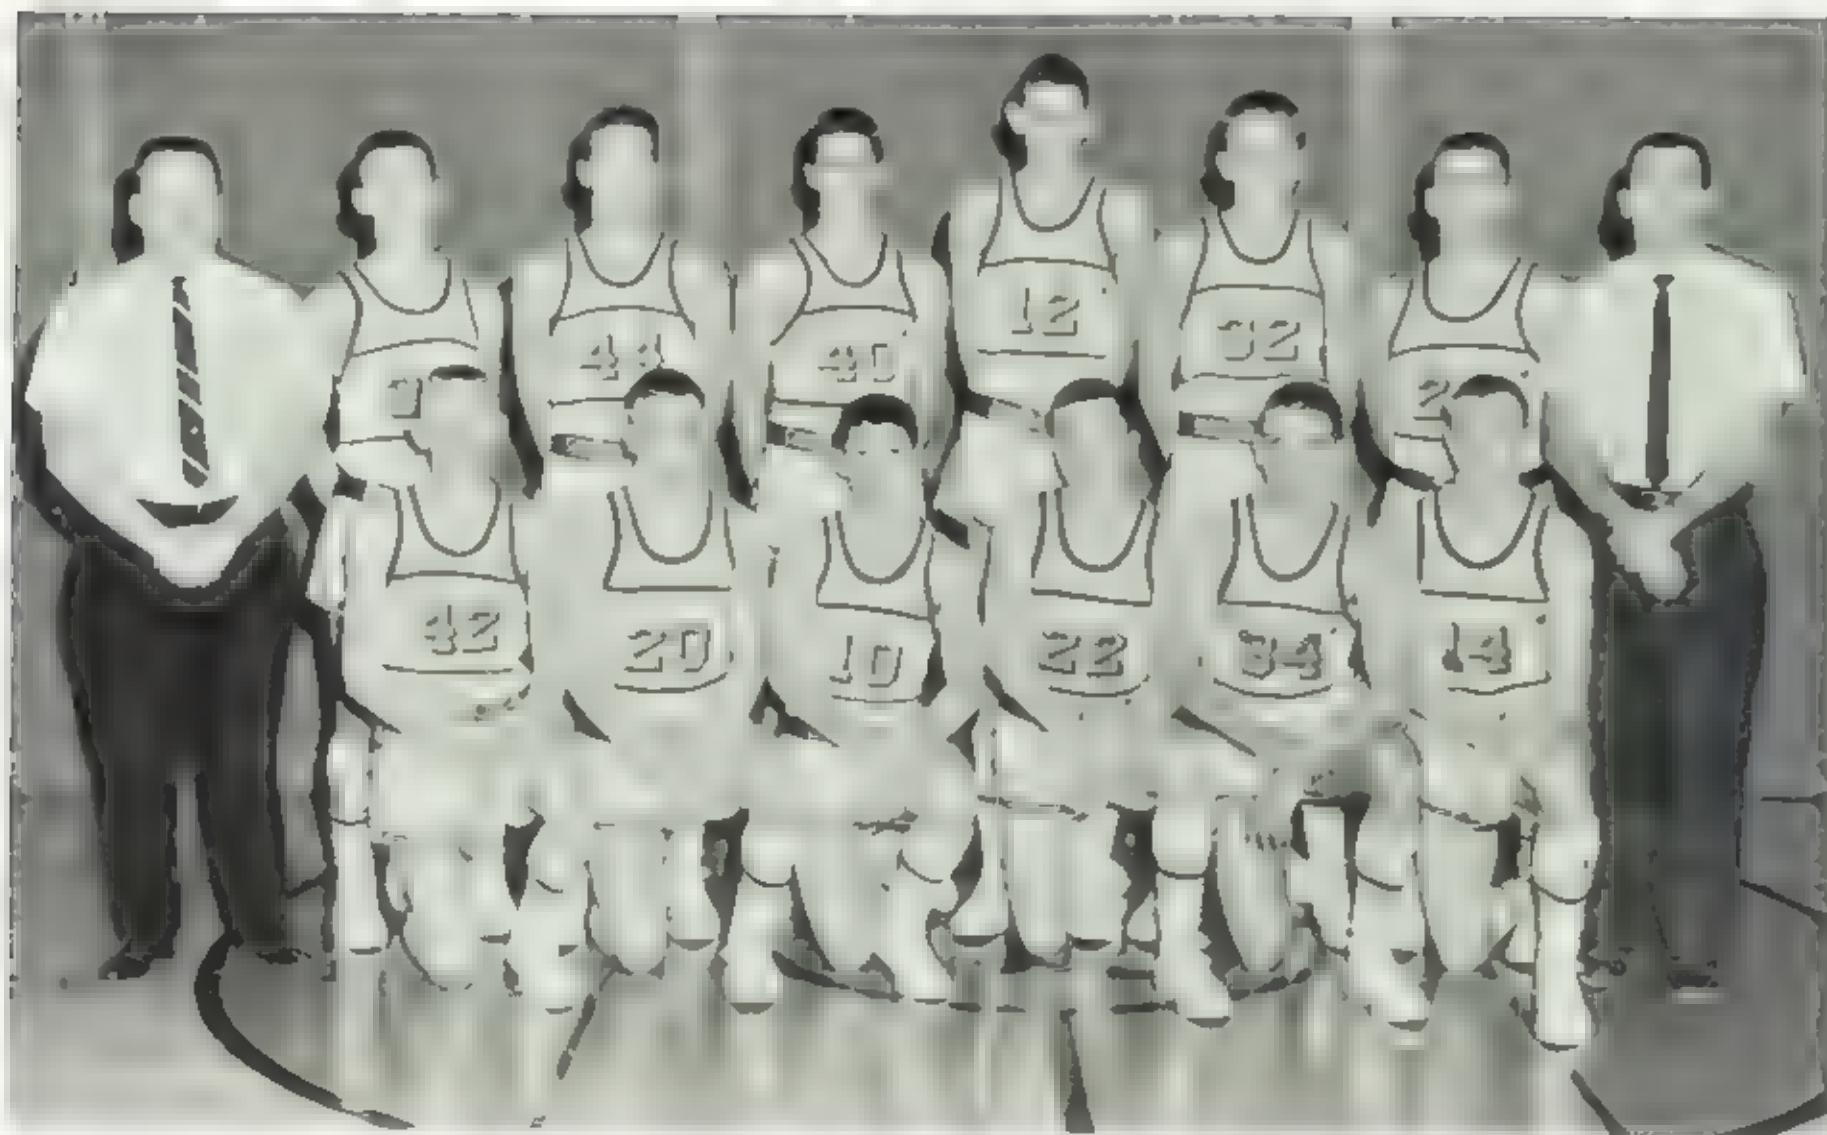

Easily the high point of the season was the showing of Steve Doerr. This rugged senior battled through twelve consecutive matches undefeated, placed first in the district, and entered state competition. Stu Ferguson also placed first in the district and competed in the state.

BASKETBALL

Mr Sam Marchio
Head Coach

Mr. Hugh Zimmer
Assistant Coach

The final record of the 1963 edition of Ashland Senior High Basketball Arrows reads a disappointing eight wins and ten losses. Yet, this final standing is not indicative of the team which Ashland produced. Twelve games were decided by a margin of five points or less, showing that this was a team which would hang on and fight to the end. It was a team which was capable of playing an inspired brand of basketball at a given time. This statement is evidenced by the fine showings at Elyria and Marion, both perennial basketball powers.

In Sam Marchio's second year as coach, the Arrows finished in a first-place tie in the Cardinal Conference with losses only to Madison and Wooster marring their record.

Jim Bear led the scorers with an average of 13.6 points per game. He hit a high of 29 points against New Philadelphia. He also led the team in rebounding, ably assisted by Larry Seidner and Jim Springer.

SWIMMING

Coach Larry Jones

On Ashland Senior High's second year of interscholastic swimming competition, the team posted a rather disappointing won-lost record. It did, however, show great improvement toward the end of the season. The year was marked by many fine individual performances. The highlight of these was the performance of Pej Johnson. This senior placed second in district competition and then placed seventh in the state in the 100 yard butterfly competition. Sandy Bowen placed third in the district and also represented Ashland at the state.

The 1962-63 Ashland Senior High School Golf Team looks forward to following a fabulous season in 1961-62. Last year's team lost only one match—that being a shortened, nine hole affair. To cap this fine showing the team, composed of Rich McConaghy, Bob Miller, Jim Nordstrom, and Dave Deever, then proceeded to the Ohio State University Golf Course where they walked off with the state championship. Jim Nordstrom, who compiled the lowest average of these top four golfers, will be back again this year, along with Dave Deever.

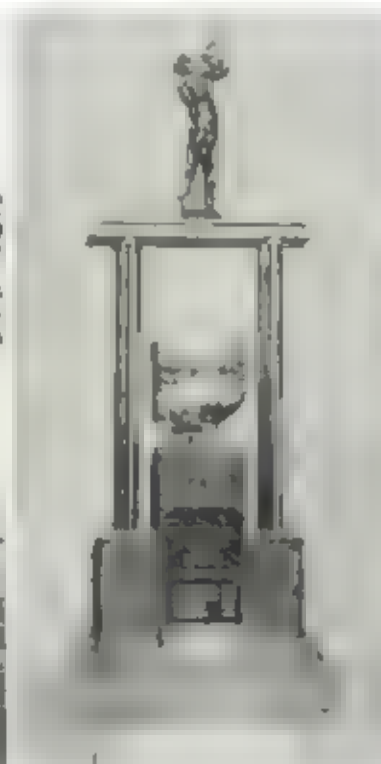

Last year's squad was coached by Rex Benton who this year turned the job over to Athletic Director George Valentine.

BASEBALL

Coach Bud Plank

Coach Bud Plank's diamond crew is facing the 1963 season with an inexperienced team. There are few returning lettermen, thus Coach Plank will be forced to rely heavily on underclassmen.

The baseball Arrows will have to fill a lacking pitching rotation and come up with a few consistent hitters.

The squad is characterized, however, by hustle and determination, and hopes are high for a successful season

TRACK

Coach Doug Diercks

The track squad under the leadership of Coach Doug Diercks, is looking forward to a very successful season. The loss of Paul Wertz will be deeply felt in the distance events, but Dale Stimpert has tremendously improved in the past few years and should fill the gap very well.

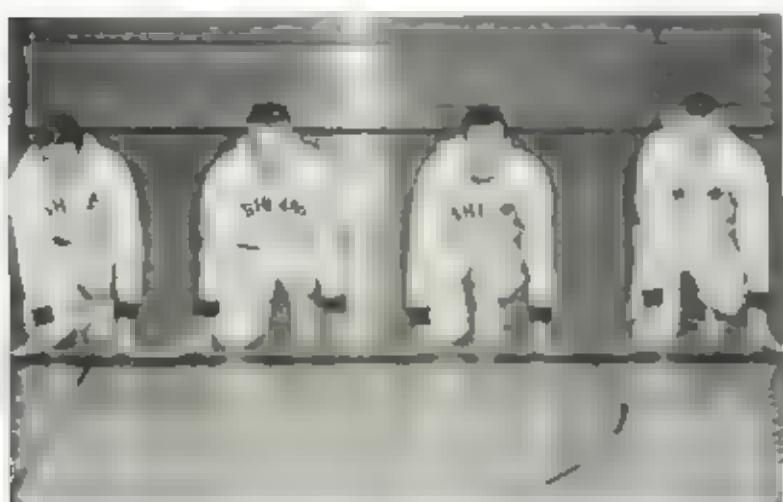

The field events should also be a strong point for the A's with Ray Johnson bearing the brunt.

The team this year has a large aggregation of underclassmen which should insure track successes for years to come.

TENNIS

Coach Sam Marchio

The 1961-62 tennis team posted a final record of four wins and six losses. These statistics are not, however, completely explanatory of the caliber of play exhibited by the team members. Jack Hartman, back again this year, was runner up in district competition.

Last year's squad was coached by Bob Espenschied. This year, however, the boys will be coached by Sam Marchio.

your
knowledge of Politics
is amazing and surely a gift.
Use it LeRoy. You're a very intelligent
